PROFILE

"A dedicated and highly motivated Information Management System student with a strong interest in Web Development/Graphic Design. I am eager to apply my technical skills and contribute to a professional team while further developing my expertise in the industry."

WORK EXPERIENCE

ILKKM Sultan Azlan Shah (SAS) Multimedia Intern (Photographer & Videographer) 2024

- Captured high-quality photos and videos for official institutional events and programs.
- Served as a professional cameraman for convocation ceremonies, ensuring key moments were documented accurately.
- Performed post-production editing for photos and videos to produce professional promotional materials.
- Managed camera equipment and technical setups for outdoor and indoor shoots.

ILKKM Sultan Azlan Shah (SAS) IT Assistant Intern 2024

- Provided technical support and troubleshooting for hardware, software, and network issues.
- Assisted in the maintenance of computer laboratory facilities and office IT equipment.
- Helped staff and students with system configurations and software installations.
- Monitored IT inventory and ensured all systems were functioning efficiently to support daily operations.
-

Petronas / Petron / BHPetrol Retail Sales Assistant and Customer Services Assistant 2022-2024

- Handled daily cash and card transactions accurately in a high-volume retail environment.
- Provided excellent customer service by assisting customers with fuel payments and retail purchases.
- Managed inventory stocking and ensured the cleanliness and organization of the store premises.
- Maintained high levels of integrity and punctuality while working at three different petrol station locations.
